

..... **Give Everything**

She is born. And suddenly, there is nothing you wouldn't give her. And yet the most precious gift—good health—cannot be bought. Unless you consider the potential of banking her cord blood. Saving her umbilical cord blood's stem cells with LifeSource Cryobank gives you the opportunity to protect her from more than 70 life-threatening diseases, and keep that protection close to home.

She's minutes old, and she's already given you everything. Shouldn't you do the same for her?
